Tim's energetic & fun approach to coaching, combined with his experience, ensures his skating seminars are enlightening and entertaining. We all loved his session last year and hope you can join in this time.

Bio: Tim began skating at the ripe old age of 14 and had a successful competitive career that culminated in several National Titles and had the opportunity to represent Australia at World Championships in Minneapolis, USA in 1998. He became involved in coaching all forms of Ice Skating, focussing on Synchronized Skating. He coached the Australian Senior Champions for 6 years, leading them to represent Australia at 5 World Championships as well as several other international competitions. A career highlight for Tim was coaching his Junior Synchronized team to an ISU Bronze medal in Zagreb, Croatia.

In addition to his passion for skating, Tim has pursued a parallel career in School Education. He holds a Master of Education and Bachelor of Physical Education degree.
