

# OFSC Shop

Welcome to our OFSC Shop

Our aim is to provide skating goods and accessories to skaters at affordable prices and to keep a stock of supplies for those skating emergencies (like laces and tights). And we have a range of second hand skating boots and clothes that we sell on commission.

Recently we have established an account with Jenskates in the US and can order items on your behalf. We are also looking at getting accounts with other suppliers so can help skaters with boots and other items.

If you need to order anything, please let us know. Just complete the order form or send an email. You can find out if Jenskates has what you need by going to their website at [www.jenskates.com](http://www.jenskates.com).

If you have any second hand goods you wish to sell, please give us your details, plus the amount you wish to sell the item for. The club takes a 10% commission for the sale. Once the item is sold, we will issue you with a cheque.

## Order Form

For ordering from Jenskates please complete the following:

Name: .....

Contact details (phone, email or both): .....

Item/s that you would like to order:

.....
